## OUR MISSION

Magdalena House is a transitional home serving mothers and their children who have fled dangerous and abusive lives. We support mothers escaping family violence and human trafficking, aging out of foster care, and facing homelessness. We rescue the least and the lost, sharing hope for a new beginning.

## OUR VISION

We provide hope and sustainable transformation in mothers and their children by:

- Establishing a safe neighborhood of transitional homes and a loving community for each family
- Requiring participation in accredited education, parental support, and diverse Enrichment Programming
- Providing professional, financial, and daily needs for each mother and child to flourish
- Empowering each resident to recognize and use their God-given talents to improve their community
