

The Power to Change

13th Annual Magdalena House Gala
Virtual Gala – September 26, 2020

Thank you for making this year's gala such a success! With your help, we were able to raise a gross total of over **\$300,000!** Because of you, mothers and children of Magdalena House will find **HOME, HELP, and HOPE** through shelter, accredited education, and a compassionate and nurturing community.

We would like to thank our amazing gala committee, our numerous sponsors (see back side), our auction donors, our wonderful volunteers, and you! We are grateful for your support!

With Love,

**The Families, Staff, Gala Committee and Board of Directors of
Magdalena House**
